The P1000 Half Cage offers a greater level of containment than standard partitioned vehicles by restricting the prisoner to only half of the back seat. This half Pro-cell partition's versatile design allows full functionality of the driver's seat along with the convenience of additional storage space behind the driver.

P1000 FEATURES

- » Single Prisoner Transport
- » Driver's Seat: Full Travel and Substantial Recline
- » Available for Sedans, SUVs & some trucks
- » ¾" thick, clear polycarbonate center divider compartmentalizes the prisoner area
- » Comes with pair of Window Armor & ABS Door Panels
- » Easy to clean and sanitize surfaces
- » Provides additional storage space behind the driver's seat
- » Poly center divider is equipped with shielded ventilation holes, providing airflow to both sides of the containment area
- » Mount single or dual weapons with a GPC Series Pro-cell Weapon Mount Gun Rack
- » Optional Outboard Seat Belts
