REAR WINDOW GUARDS

Shown inside the 2020 Ford Police Interceptor Utility

Shown in the 2021 Chevy Tahoe

Shown inside the 2013 Ford Police Interceptor Utility

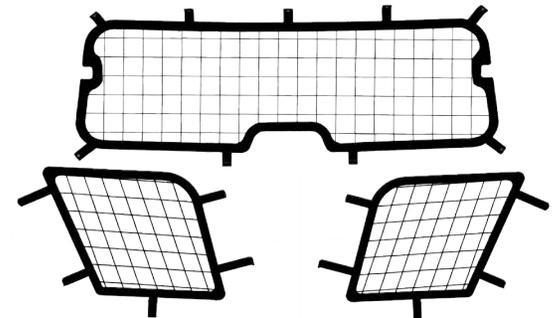

Our Rear Window Guards are the perfect theft deterrents for the cargo area in SUVs. Today's SUV with the wrap-around style window design leaves equipment, electronics and duty gear highly visible. Our product adds a layer of protection to the vehicle while enhancing officer safety.

REAR WINDOW GUARD FEATURES

- » 3 Piece Window Guard Set
- » Provides Maximum Visibility
- » Prevents break-ins due to the highly visible cargo area
- » Installs underneath window trim
- » Lightweight construction will not wear out the actuators of the rear hatch
- » Steel frame construction with black powder coat finish
- » Durable, 1/8" Wire Screen with 2" spacing that won't hinder driver's rear window visibility
- » Fits PI Utilities with or without the Ford "Ready for the Road Rear Lighting Package"
- » Set includes: Rear Cargo Door Window Guard, pair of Rear Side Window Guards, Polycarbonate Space Fillers for vehicles without the "Ready for the Road Package", mounting hardware, and easy installation instructions
