TRUNK MOUNT GUN RACK

Our GTM Series Trunk Mount is available for single weapon mounting in the vehicle's trunk and can be customized to match any officer's weapon. The mount utilizes the existing OEM frame for an easy installation and is perfect for supervisor, detective, and other fleet vehicles where a partition is not installed.

TRUNK MOUNT GUN RACK FEATURES

- » Designed to fit the specific, special purpose of each vehicle
- » Custom fit to eliminate road rattle
- » Single weapon mounting
- » Our "Gun Rack Order Form" completion will allow us to build each rack to your specs
- » Currently available for the Dodge Charger and Ford Police Interceptor Sedan
- » Single or Dual Vertical Weapon Mounting
- » Black powder coated steel finish
- » No Holes Drilled for easy install
- » Momentary switch and 8-second timer
- » Customized to meet the specifications for each officer's weapon
- » Choose from three different styles of gun lock override keys: straight, vending, or handcuff

Trunk Mount Gun Rack shown in the Dodge Charger

Trunk Mount Gun Rack shown in the Ford Police Interceptor Sedan

Gun Locks are determined by a combination of mounting location, weapon type, and weapon accessories. In order to secure the best fitment, we build the gun rack around each specific weapon and accessories.

All gun racks come equipped with an 8 second timer and momentary switch that allows for quick, easy access to the weapon (s).

Choose from three styles of key override: Straight, Handcuff or Vending.
