Vertical Partition Mount Gun Rack shown in the 2013 Ford Police Interceptor Sedan

The **GVPM Series** Vertical Partition Mount Gun Rack can be configured to fit a wide variety of weapons giving officers quick and easy access to their weapons. Our custom fit racks meet the specifications of each officer's weapons eliminating road rattle.

## VERTICAL PARTITION GUN RACK FEATURES

- » Mounts vertically on Pro-gard Partitions
- » Recessed Panel required for installation
- » Available for either single or dual long gun mounting
- » Single or Dual Vertical Weapon Mounting
- » Black powder coated steel finish
- » No Holes Drilled for easy install
- » Momentary switch and 8-second timer
- » Customized to meet the specifications for each officer's weapon
- » Choose from three different styles of gun lock override keys: straight, vending, or handcuff

Gun Locks are determined by a combination of mounting location, weapon type, and weapon accessories. In order to secure the best fitment, we build the gun rack around each specific weapon and accessories.

Choose from three styles of key override: Straight, Handcuff or Vending.

All gun racks come equipped with an 8 second timer and momentary switch that allows for quick, easy access to the weapon (s).
